

My Book®

World Edition™ II

Automatic, Continuous Backup
Dual-drive Protection
Media Sharing and Streaming

Relax! Double-safe continuous backup for all the computers on your network.

Enjoy! Stream music and video to your TV.

Escape! Access your data anytime, anywhere.

Double-safe backup and storage for all your computers.

With the double protection of two mirrored drives, My Book World Edition II is the safest place to create an automatic continuous back up of the files on all the computers in your network. Store all your digital media in one central location so everyone can securely access it, even remotely. Stream movies and music anywhere in your home. Compatible with both Mac® and Windows® files.

- **Automatic and continuous backup for all the computers on your network** – Now you can easily back up data from all your networked computers with the included continuous backup software. Set it and forget it; every time you save something it's instantly and automatically backed up. Backs up over any wireless connection, too.
- **The double-safe place for your data** – Using RAID mirroring technology, this system automatically and continuously maintains a second copy of your data for the ultimate in data protection. If one drive in this two-drive system ever fails, the system continues to run and your data is safe. How's that for peace of mind?
- **Centralized storage to share and stream all your family's digital content** – Includes a built-in media server for streaming music, photos and movies to any PC, Mac or DLNA certified multimedia device such as Playstation® 3, Xbox 360®, wireless digital picture frames, and connected audio receivers. DLNA 1.5 & UPnP certified. Centralize your music collection and play from Macs or Windows PCs using iTunes® software.
- **Remote access** – Access your files anywhere, anytime using MioNet® remote access technology from WD.

My Book World Edition II

Interface

Gigabit Ethernet

Dimensions

Height: 6.73 in (171 mm)
Depth: 6.34 in (161 mm)
Width: 3.9 in (99 mm)
Weight: 4.52 lb (2.05 kg)

System Compatibility

Mac OS® X Tiger® or Leopard®

Windows Vista®/XP

Compatibility may vary depending on user's hardware configuration and operating system.

Capacities

2 TB WDH2NC20000
4 TB WDH2NC40000

Limited Warranty

3 years

Kit Contents

Dual-drive network storage system
Ethernet cable
AC adapter
Installation and software CD
Quick Install Guide

Product Specifications

Data transfer rate: 10/100/1000 Mb/sec
Operating temperature: 5°C to 35°C
Non-op. temperature: -20°C to 65°C

As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, and one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment. RAID 0 (striped) accesses the full capacity of the drives. RAID 1 (mirrored) accesses half of the total capacity for data protection. As used for transfer rate or interface, megabyte per second (MB/s) = one million bytes per second, and gigabit per second (Gb/s) = one billion bits per second.
