Basic Operation

Reading Operation

STEP 1. Charging the Battery:

The battery is not fully charged and it is highly recommended to be fully charged before first use. It is recommended to charge the battery for a minimum of 4 hours using the AC/DC power adapter or 7 hours using the USB port on your computer via the included USB cable.

STEP 2. Inserting a Memory Card:

To better user experience, we have included a 2GB SD card that is preloaded with 100 eBooks. Follow the instructions below to insert the optional SD/SDHC memory card into the unit.

1. Turn off "Libre" eBook Reader if it is currently powered on
2. Open the memory card cover on the top edge of the "Libre" eBook Reader
3. Insert the SD card into "Libre" eBook Reader

Note: There is only one correct direction to insert the SD memory card into the slot. Do not force the card into the slot, or else it may damage both the "Libre" eBook Reader and the SD memory card.

STEP 3. Power on:

To power ON the unit for the first time, please press and hold the "Power" button for 5 (five) seconds (located on the bottom of the unit). The "Libre" will take less than one minute to boot up and you will then see the menu list.

Standby Mode:

If you are not planning to use the "Libre" for an extended period of time you can have the "Libre" enter "Stand-by" mode for up to 14 days preserving the battery life. To do this, press the "power" button for 1 (one) second then release it and the screen will go blank. To wake the "Libre" up from "Stand-By" mode simply press the "Power" button for 1(one) second.

Note: The "Libre" will automatically go into "Stand-by" mode if there is no activity. You can adjust the auto "Stand-By" mode to "Never, 3 Minutes, 5 Minutes, 10 Minutes, 15 Minutes, 30 Minutes) by selecting "User Settings" from the main menu and pressing "OK" then select "Auto Power Off" and moving the cursor up or down then press "OK".

STEP 4. To read an eBook on the included memory card:

There are 100 titles preinstalled on the included SD card. To read them, please:

1. Select "EBooks" and press "OK"
2. Select the desired book from the list and press "OK"

To turn pages press the "page turn" buttons located on the bottom left of the "Libre"

To return to the previous screen/menu press the "↵" button located on the bottom right of the "Libre"

STEP 5: Finding and downloading free eBooks online:

You may download thousands of free eBooks from below websites.

Note: There are more sites available and it is recommended that you check the Aluratek.com website for the most up to date suggested eBook source sites.
