LIGHTNING 02 Illuminated Slim Multimedia Keyboard

Part Code: KYB-LIGHTNING-02HY

About:

Accuratus lightning range: brighter than the average keyboard

This is the beautifully formed 'backlight' multi media keyboard from Accuratus.

As the natural light dims, the Accuratus Lightning floods the keys with soft blue backlighting allowing you to work long into the night without disturbing others around you.

Built with a sturdy black case with multi media buttons held captive behind a smoked panel, the Accuratus Lightning is without doubt a handsome looking keyboard.

Features:

- USB compatible
- Windows 98SE/2000/ME and XP
- Key layout: 105 keys
- Highly reliable membrane contact technology
- Responsive tactile feed-back keys
- 2 year RTB warranty

Available from:
