PRODUCT	DIAMOND XtremeTV PVR560 PCI Power Pack Edition
PRODUCT DETAILED DESCRIPTION	Turn your PC into an XtremeTV! Whether you want to watch TV on your LCD, flat-panel, computer monitor or turn your PC into a full-featured Personal Video Recorder, XtremeTV comes complete with a digital software entertainment suite. Use the included remote control to watch, pause, rewind, record upcoming shows, replay live TV with the push of a button. XtremeTV PVR 560 features SnapStream Media\'s Beyond TV, the best personal video recorder interface in the industry. It also includes SnapStream\'s Beyond Media for storing, organizing and playing your DVD, VCD, VCR, Live TV, CD, MP3's and FM radio. XtremeTV PVR 560\'s on-board hardware encoder ensures you and your family will always experience the most \"Xtreme\" visual quality and performance available! XtremeTV incorporates its TV and Video Recording feature with a remote viewing capabilities powered by Orb. It allows you to access live TV or recorded TV from any broadband-enabled device, including mobile phones, Windows PDAs, desktops, and laptops. Orb also gives you secure access to your digital media from home computer through simple web interface, allowing you to share your media files with your family and friends. While your PC is at home and you are away. \"An impressive software package...that turns a plain PC into a media center.\" - Forbes.com
