

Large Animal Vac 'N' Blo on Wheels

Now its easier than ever to get large animals looking like champions.

Metro Vac N' Blo does all the work and cuts grooming time in half. Use it as a vacuum and its super suction gets down deep to remove parasites, dirt, dandruff, and loose hair. Use it as a blower and it dries coats evenly completely- leaves hair smooth and lustrous. It can also be used to blow dust off animals. Portable and lightweight, Vac N' Blo can be used anywhere. It works great on horses, donkeys, cows, etc. even llamas love it. Adjustable shoulder strap frees hands for easy use. Built for continuous heavy duty operation, Vac 'N' Blo® is available in 1.17PHP, 1.7 PHP and 4.0 PHP Models. Other uses Vac 'N' Blo® is excellent for cleaning debris, from barns stables, grain drills, tractors, feed mills, etc.
