

PRESTO®

FlipSide™ Belgian Waffle Maker

www.GoPresto.com

- This professional-style waffle maker features a rotating design that bakes extra thick Belgian waffles in minutes.
- It flips 180° to evenly spread batter for waffles that are crispy outside and tender inside.
- Deep grid makes an extra thick, 7-inch diameter waffle with four easy-to-cut sections.
- Countdown timer with LED digital display signals when baking time is up.
- Nonstick interior easily wipes clean.
- The brushed stainless steel exterior assures lasting beauty.

- Dual function base flips from side to side when cooking and allows waffle maker to lock in a compact vertical position when storing.
