### Hardware Basics

3

### Compatibility

- Mac OSX 10.2 to 10.6 and above
- Windows 2000/XP/Vista/7 and above
- Any desktop or notebook computer with an available USB port

### Connecting the 4 Port Hub

1. Connect the AC Adapter to the DC jack for high-power USB device such as iPhone, iPod, and webcam etc. Without using the AC adapter, the 4 Port Hub can still work with lower power or self-powered USB devices such as keyboard and mouse etc.  
\*AC Adapter Spec: DC output 5V, 2A. Positive in the center.
2. Connect the host computer to the MiniUSB connection port with the included hub cable
3. Connect your USB devices to the USB ports, the 4 port hub is now ready for use.

### Macally Product Information

#### Warranty

Macally peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty shall not apply to products that have been subject to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered as normal use.

#### Limitation of Liability

The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profit, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply not with standing any failure of essential purpose of any limited remedy.
