## Model #: TVI-200C

### TuneView Remote Control for iPod

#### Highlights

- A new wireless way to manage your music
- Connect your iPod to a stereo or TV
- Browse and control your iPod with the LCD remote

#### Description

TuneView for iPod provides a new wireless way to manage your music throughout your house or office. TuneView for iPod consists of a universal iPod dock, 2-way RF remote with color LCD screen, a USB power adapter, audio and USB cables and selected dock adapters.

#### System Requirements

- For use with all 4G and 5G iPods with dock connector, including:
  - iPod nano 3rd Generation (4GB, 8GB)
  - iPod classic (80GB, 160GB)
  - iPod with video (30GB, 60GB, 80GB)
  - iPod nano (1GB, 2GB, 4GB, 8GB)
  - iPod with color display (20GB, 30GB, U2, 40GB, 60GB)
  - iPod (20GB, U2, 40GB)
  - iPod mini (4GB, 6GB)
- This product has been designed specifically to work with iPod and has been certified by Keyspan to meet Apple performance standards.

#### Package Includes

- iPod dock
- LCD remote
- USB power adapter
- USB cable (USB A to USB B mini 5 pin)
- Audio cable (3.5mm stereo to dual RCA)
- Dock adapters for iPod mini, iPod (20GB, U2), iPod with color display (20GB, 30GB, U2)
- Two AA batteries for remote

#### Features

- Connect the iPod to a stereo or powered speakers using the line out jack
- Connect the iPod to a TV using the S-Video jack
- Charge the iPod from an AC outlet using the USB Power Adapter
- Browse and control the iPod from around the house with LCD remote
- The TuneView dock may also be used to sync an iPod with a PC or Mac.
- The TuneView Remote is unlike any iPod remote you've used before. It features a color LCD screen that enables you to remotely view the

contents of your iPod -- and it currently supports four languages (English, French, German and Spanish).

- Both the TuneView dock and TuneView remote are USB devices that can be updated via a firmware download (just like an iPod). Over time we will release firmware updates that add new capabilities to TuneView.
- Buttons on Remote:
  - Play/Pause
  - Menu
  - Volume Up and Volume Down
  - Track Forward & Track Back
  - Up Arrow & Down Arrow
  - Wizard (The Wizard button is a context dependent button that puts useful functions at your fingertips)
- 1-year limited warranty
