- Snack Bin

Performance

- Upfront Digital Temperature Controls
- 2 Clear Humidity Controlled Crispers
- Multi-Air Flow Cooling
- Express Freezing Function
- Factory Installed CustomCube Ice Maker
- LoDecibel Quiet Operation

BOTTOM FREEZERS

Bottom Freezer Refrigerators Have Always Been About Convenience

Having the fresh food section above the freezer, bottom freezer refrigerators put the food you use most at eye level. The **Swing Door** freezer is well designed with maximum space efficiency and easy roll-out drawers.

Design-A-Door

Our unique flexible shelving system allows you to slide the gallon door bins horizontally and vertically for infinite organization possibilities. The shelves are also dishwasher safe for easy cleaning.

Electronic Temperature Controls

Provides precise temperature control in the refrigerator and freezer compartments. Located up front, the digital temperature controls are easy to reach and adjust. There are two temperature adjusters controlling the refrigerator and freezer compartments separately.

Express Freezing Function

Provides accelerated freezing for up to 24 hours to produce 6 lbs. of ice (4.5 lbs. without Express Freezing) and lock-in freshness.
