

PX 200-II

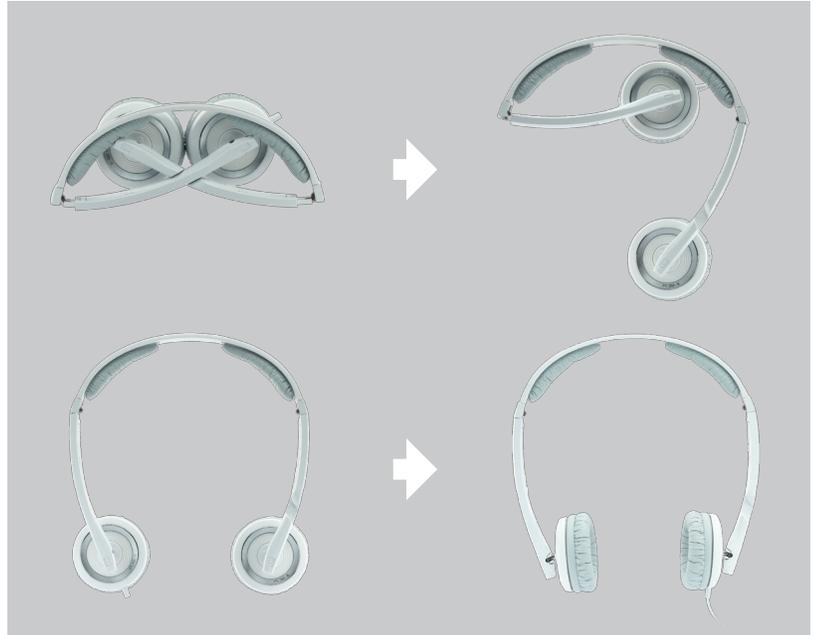

Ideal for the urban commute - the closed, on-ear PX 200-II mini headphones provide excellent isolation to let you enjoy your music without being disturbed or disturbing others. These headphones come with a steel-reinforced headband for long lasting strength and durability. The integrated volume control on the cable is perfect for quick adjustments.

Features

- Closed design – blocks ambient noise
- Advanced Duofol™ transducer system pumps out rich, lifelike audio
- Single-sided cable eliminates tangles handling
- Integrated volume control
- Steel-reinforced headband enhances durability
- Fold and flip design collapses for compact travel
- Convenient carrying pouch included
- Optimized for portable audio – including MP3 players, iPod, iPhone, netbooks and other electronics with a headphone plug
