

V7 LOW PROFILE COMBO WALLMOUNTS

The V7 universal combo display wallmounts are the perfect solution for any home, office, school or business. The low profile combo wallmount is made of solid steel construction and is extremely durable to hold your flat panel display. It is very easy to install and includes all of the hardware. You can mount your screen flat for direct viewing or you can tilt it down from the wall so that it is better angled for viewing when it is positioned relatively high on the wall.
