## Product highlights

### Philips Krypton bulb

A miniature bulb in which Krypton gas is used to increase the light output up to 70% more than a standard bulb.

### Pre-focused beam

Thanks to a pre-shaped lens and/or reflector the beam provides the most optimal light output and focus.

### Splashwaterproof

Rubber sealing rings and housing prevent that water causes damage to the flashlight and allow you to use it in all wheather conditions.

### Shock resistant

A special shock resistant plastic or rubber housing prevents damage to your flashlight caused by shocks.

### 2x PowerLife D included

The Philips batteries that are advised for the product are enclosed in the packaging to make immediate use possible.
