

PowerPro™ & FreedomPro™ Road Case

Model HC-900

1. Case complies with the Air Transportation Assoc. Spec. # 300, Category 1 for shipping
2. Detachable carpet-lined top compartment stores laptop computers, mic & cables*
3. Spacious speaker compartment with 1" thick unicellular foam (2" on bottom) provides maximum shock absorption and safety from damage due to vibration*
4. Recessed 14-gauge steel and spring-loaded handles and latches
5. Rugged 14-gauge steel-encased casters won't shear off during shipping or use
6. 14-gauge steel trim and corners attached by split steel rivet construction driven with 25,000 lbs of force every 3" for durability

Protect your PA investment with this top-level quality case, which is rugged enough for storing your PA or shipping it to the next gig.
