ViewSonic® VG150m LCD Display

15" Multimedia Display

ViewSonic®
See the difference.®

The VG150m is the space-saving multimedia LCD of choice.

The ViewSonic VG150m LCD display combines multimedia performance with unsurpassed function and style. When space is at a premium, the VG150m delivers ViewSonic's renowned image quality and reliability in a desktop-friendly, space-saving design. Ideal for the home and small office, the VG150m offers a feature set you'd only expect in a high-priced LCD display — convenient, fold-up base for easy wall mounting; high brightness and contrast for superior text and rich, lifelike images, and handy user features like OSD lock to preserve your image. Choose the ViewSonic VG150m for just the right balance of performance and value in a 15" LCD multimedia display.

Award-Winning Company

ViewSonic is the #1 best-selling monitor brand in the USA, delivering price and performance leadership.*

Best Selling #1 ViewSonic

The compact multimedia solution.

⋯⋗ Full 15" viewable screen

Displays a full, flat 15" viewable area with crisp detail and fully saturated color.

⋯⋗ 1024x768 native resolution
