SBC-420

4-Line KSU-less Caller ID Speakerphone

caller **ID** †

SPEAKER *phone*

EXPAND TO 12 12 STATIONS

The SBC-420 is simple to install, easy to use, and an excellent alternative to complex and more expensive small-key-system installations. The Execufone SBC-420 boasts a long list of features usually found only on expensive business telephone systems, such as: Call Waiting Caller ID, a 200-name-&-number directory, a great sounding 2-way speakerphone, intercom, one station / all station page, and much more! The SBC-420 can accommodate up to 4 lines and is expandable up to 12 stations, so it's geared to meet the needs of both small businesses and home installations.

- Expandable up to 12 Stations
- 3-Line Backlit LCD Display
- Call Waiting Caller ID
- 200-Name-&-Number Directory
- 2-Way Speakerphone
- One Station / All Station Page & Intercom
- 2 Data / Fax Port
- Headset Jack and Button
- 3-Way Call Conference/Transfer
- Voice Mail Indicator
- Line Status Indicator
- Privacy Protection
- Power Failure Protection
- 20-Name / Number Autodial
- FSK & Stutter

† Requires subscription to name-and-number Caller ID, call waiting and/or voice mail services offered by certain local telephone companies for a fee.
