## DLP PROJECTOR WITH BRILLIANTCOLOR™

120Hz, 3D READY

### Price/performance leader in portable DLP projectors.

ViewSonic's PJD6211 DLP® projector is ideal for use in the office or on the road. It delivers amazingly clear images with the digital clarity of DLP's BrilliantColor™ technology. This budget-friendly projector boasts amazingly fast 120Hz frame rate and is 3D ready for graphic renderings in the office or 3D games or movies at home. With high contrast ratio and brightness and ViewMatch™ technology to adjust colors perfectly, your presentations will be rich, vibrant regardless of the setting. This projector is a lightweight powerhouse that offers multiple inputs, including support for 720p and 1080i HDTV signals. Eco-mode extends lamp life and reduces fan noise. Enjoy easy set up with auto source detection and auto sync. When you're done, just unplug it and go. The PJD6211 DLP projector delivers excellent performance and value for small business and home entertainment applications.

> **Advanced six segment color wheel**

Optical Engine is using advanced DDR DMD chip. The picture is smoothly without cell gap to provide saturated color and sharp image.

> **Bright in virtually any setting with 2,500 lumens**

Packs 2,500 lumens in just 2.66kg. It's the bright choice for mobile presenters.

> **BrilliantColor™ technology**

DLP® projectors with BrilliantColor™ feature multi-color processing to produce nearly 50% brighter colors for a vibrant image on the screen that won't fade over time.

> **Eco-mode extends lamp life**

Extend the life of your lamp up to 5,000 hours\*\* and reduce noise output.

> **Off-to-Go feature**

The direct off feature allows the busy presenter to simply unplug the projector and go without waiting for the usual cool down phase. This feature also protects lamp life from sudden power blackout.
