

Dual Monitor Solutions

A Clear View to Productivity

DoubleSight provides an economic, easy-to-use Dual Monitor Solution for displaying as much data as a single 30 inch Wide LCD monitor. Users can view multiple programs simultaneously instead of toggling between programs or document windows. Multiple monitors will increase productivity and accuracy by allowing users access to multiple information sources concurrently.

DoubleSight offers a choice in Dual Monitor Solutions. Choose between 19" and 21.5" Wide Screen Monitors. All Dual Solutions feature the DoubleSight Flex Stand which includes Height, Tilt and Pivot adjustments for a completely custom fit.

Key Features:

- 19" & 21.5" Wide Screen Models are available
- Preassembled for Fast, Hassle Free Installation
- Everything You need in One Box
- Stands are adjustable for Height, Tilt and Pivot
- Energy Star
