

10X Day/Night Speed Dome PTZ Camera	Model: 10XSPD
--	--------------------------

These day / night speed dome PTZ cameras have an awesome set of features and specifications. They allow you to pan, tilt, or zoom up to 100X (total zoom = optical zoom X digital zoom). Great choice with the Optiview DVRs.

Note: To use a PTZ camera on our PC-Based DVRs, you must have an RS485 Converter.
