

K00106 ADAPTER KIT

Installation Instructions

1. The K00106 adapter kit is used for installing a B-0320 or B-0420 ice machine on a Manitowoc 30" wide series dispenser.
2. Installation (dispenser to be level before starting):
 - A. Place adapters on dispenser, as shown.
 - B. Drill four 5/32" dia. holes in the dispenser, as shown (adapters must be compressed on foam and level with dispenser).
 - C. Fasten each adapter with the two screws provided in kit.
 - D. Apply foam tape to the edge of adapters and on top of existing rear foam tape.
3. Ice machine installation:
 - A. Position ice machine on dispenser.
 - B. Proceed to ice machine installation manual for electrical and water hook-up and start-up procedure.
