WELCOME

My friends at Emerson Radio Corp. are producing this Personal Stereo Cassette Player with 10 Second Voice Recorder and Alarm Clock, under license from Sanrio Company Ltd. We have taken great care to make sure your unit was in perfect working order when it left our factory. It has been designed to give you many years of enjoyment and trouble free operation. Read this manual before operating this unit to become familiar with its features. In the event you require technical assistance, please contact my friends at the Emerson Radio Customer Service hotline at 1-800-898-9020. Retain this manual for future reference.

NOTES:

- Please avoid using this unit in places of high temperature or humidity over prolonged periods of time as damage may occur.
- Exposure to direct sunlight in places such as car interiors may cause the unit to become warped and/or lead to malfunctioning.
- Avoid using or storing this unit in dusty or sandy locations.

BATTERY OPERATION

1. Remove the belt clip. Open the battery compartment by pushing the tab at the center of the cover and lift it up. The door cannot be removed, so it cannot be lost.
2. Insert three (3) AA size batteries (not included) into the Battery Compartment following the diagram inside the compartment and replace the Battery Compartment cover.

BATTERY PRECAUTIONS

Follow these precautions when using batteries in this device:

1. Use only the size and type of batteries specified.
2. Be sure to follow the correct polarity when installing the batteries as indicated next to the battery compartment. Reversed batteries may cause damage to the device.
3. Do not mix different types of batteries together (e.g. Alkaline and Carbon-zinc) or old batteries with fresh ones.
4. If the device is not to be used for a long period of time, remove the batteries to prevent damage or injury from possible battery leakage.
5. Do not try to recharge batteries not intended to be recharged; they can overheat and rupture. (Follow battery manufacturer's directions.)
