# FlexScan® L557

**43 cm (17")**
**COLOR LCD MONITOR**

## Perfectly Positioned

Digital and analog connectivity, wide 170° viewing angles, and a compact, ergonomically designed cabinet are just three reasons why the FlexScan L557 is perfectly positioned to meet all the display requirements of corporate, back office, and administrative professionals. With wide-ranging image adjustment functions, 500:1 contrast ratio, and built-in stereo speakers, it is equally suitable for text, web, multimedia, or graphics applications. An industry-leading five year warranty guarantees long service life and low total cost of ownership. Stylish in design and comfortable to use, the FlexScan L557 matches value and versatility with uncompromising quality and performance.

### NEW ERGONOMIC DESIGN

With slim 14 mm side bezels, the newly designed cabinet is more space-efficient than ever. Navigating is easier too — control buttons are now arranged in a simple cross pattern, and set on a tiered front panel. The L557 comes standard equipped with a 50 mm height adjustable stand. For additional placement and adjustment options an ArcSwing stand version (L557-AS) with forward/backward and upward/downward movement, and a panel only version (L557-F) for installation on a mounting arm or wall bracket, are also available.
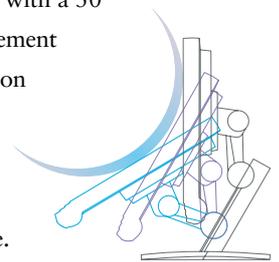

*L557-AS*

### FINE CONTRAST

The front-button-operated Fine Contrast function, exclusive to EIZO, accesses five specialized image modes: Text, Picture, Movie, Custom, and sRGB. Each mode has its own settings for parameters such as color temperature, brightness and saturation.

### DIGITAL AND ANALOG INPUTS

DVI-D and D-Sub mini 15-pin inputs allow use with a computer incorporating either a digital or an analog graphics card – or both, if two computers are connected at the same time.

## Additional Features

### GAMMA CORRECTION

Internal circuitry automatically converts 8-bit data from the PC to 10-bit and back to 8-bit, producing smooth, accurate color tones.

### COLOR MANAGEMENT

Support for the sRGB color space provides color matching with other sRGB compliant peripherals.

### REGULATORY STANDARDS

Compliance with current international standards relating to safety, ergonomics, and power management as well as "EIZO Eco Products 2002," an in-house label covering such environmental issues as manufacture with lead-free solder and chrome-free steel plates.

## Accessories

A variety of accessories are available for enhancing convenience and flexibility, such as a panel protector, flexible arms and dual height adjustable stands that hold two monitors. For more information please see
http://www.eizo.com/products/accessories/

## Support

EIZO and its authorized distributors offer a five year limited warranty for the FlexScan L557.

*The usage time is limited to 30,000 hours or less, and the warranty period of the LCD panel and backlight is limited to three years from the date of purchase.*

## Specifications

| Models | L557 (basic stand), L557-AS (ArcSwing stand), L557-F (panel only) |
|---|---|
| Panel Size and Type | 43 cm (17") TFT color LCD panel |
| Available Cabinet Colors | Gray, Black |
| Pixel Pitch | 0.264 × 0.264 mm |
| Display Colors | 16.77 million from a palette of 1.06 billion |
| Viewing Angles (H, V) | 170°, 170° |
| Scanning Frequency (H, V) | Analog: 24.8 – 80 kHz, 55 – 75 Hz |
| | Digital: 31 – 64 kHz, 59 – 61 Hz (VGA Text: 69 – 71 Hz) |
| Recommended Resolution | 1280 × 1024 |
| Brightness / Contrast Ratio | 250 cd/m² / 500:1 |
| Response Time | 25 ms (typical) |
| Dot Clock | Analog: 135 MHz, Digital: 108 MHz |
| Input Signals | RGB Analog, DVI Standard 1.0 |
| Sync Format | Separate |
| Input Terminals | D-Sub mini 15 pin, DVI-D 24 pin (switchable) |
| Active Display Size (H × V) | 338 × 270 mm |
| Viewable Image Size | 432 mm (diagonal) |
| Plug & Play | VESA DDC 2B |
| Screen Control | ScreenManager®, |
| | One Touch Auto Adjustment Function |
| Power Requirements | AC 100 – 120V,  200 – 240V: 50 / 60 Hz |
| Power Management | VESA DPMS, DVI DMPM |
| Power Consumption | 45 watts |
| Power Save Mode | Less than 2 watts |
| OSD Languages | English, French, German, Italian, Japanese, Spanish, Swedish |
| Height Adjustment Range | L557: 50 mm, L557-AS: 100 mm |
| Dimensions (W × H × D) | With Stand (L557): 368 × 375 – 425 × 198 mm |
| | With Stand (L557-AS): 368 × 256 – 419 × 245 mm |
| | Without Stand: 368 × 343 × 52 mm |
| Net Weight | With Stand (L557): 5.6 kg, (L557-AS): 7 kg |
| | Without Stand: 4.2 kg |
| Audio | Dual 1W built-in speakers, input/headphone jacks |
| Tilt | (L557): 30° Up, 5° Down |
| Tilt / Pivot | (L557-AS):  60° Up, 1° Down / 90° Right, 3° Left |
