MAXIMUM LOAD 40LBS (18.2KG)

www.promounts.com

Universal Articulating Mount for 10" to 24" flat panels

An articulated and retractable wall mount for small flat panel displays up to **40lbs (18.2kg)**. The dual arm design allows either flush positioning or a maximum of 15" of extension from the wall for optimum viewing from any position in the room. It may also be corner mounted for multiple room viewing. Wall attachment is to a single wood stud or concrete.

- Multi-angle and multi-position viewing
- Rotates for portrait or landscape viewing and screen leveling
- "Quick Snap" covers for complete cable management
- Attractive screw caps conceal tensioning hardware
- VESA compliant 75, 100
- All panel and wall mounting hardware included
- Manufacturer's limited lifetime warranty
