

Cub Cadet[®]

200 SERIES

SINGLE-STAGE SNOW THROWERS

221 HP

221 LHP

SMALL JOBS JUST GOT SMALLER.

The 200 Series is the premium single-stage in the Cub Cadet[®] lineup for this year's winter battle. It has the superior quality and performance you expect, in a compact, easy-to-use machine. The adjustable ergonomic handle and high-impact, clog-resistant polymer chute make it easier for you to clear light to moderate snow with speed and comfort. And with an in-dash headlight, enhanced innovation allows for a nice, clean driveway. At any time of day.

INNOVATIVE FEATURES FOR AN INCREDIBLE EXPERIENCE. THAT'S THE **CUB CADET ADVANTAGE.**

REMOTE CHUTE CONTROL

Throw snow in the direction you want every time with chute control from the operator's station. You will spend less time in the cold as you control where you want the snow to be thrown. (221 LHP only)

ELECTRIC START CUB CADET[®] OHV ENGINE

A large, powerful engine that gives you more power than you might expect from a single-stage thrower — all at the push of a button. It's incredibly easy to start in tough winter conditions, and it's easier to maintain.

HIGH-PERFORMANCE AUGER SYSTEM

This specially designed, high-speed system quickly moves through light to moderate snowfalls with ease allowing you to clear your driveway and sidewalk with less effort.
