- Durable 304 grade stainless steel construction withstands the harshest of elements
- Clean face design provides a true masonry appearance
- Traditional brick-look interior
- Stainless steel trimmed glass doors and mesh
- Weatherproof
- CE certified
- Standard outdoor remote control, childproof start and wall mount
- No electricity required

Flip a Switch and Add a Room

Instantly transform the great outdoors into an outdoor great room. Just turn it on and transform an ordinary deck or patio into an extraordinary entertainment space. Dakota—the world's first outdoor gas fireplace—combines all the ease and convenience of a gas fireplace with weatherproof, stainless steel construction.

IntelliFire Ignition system

Our state-of-the-art ignition system eliminates a continuously burning pilot light and supplies backup battery power during a power outage, reducing gas consumption and lowering operating costs. Never again will you manually light a pilot or bend down to start your fireplace.
