

Articulating Swivel Mount

For Large Flat Panel Screens

Swing, tilt, or extend a plasma or large LCD screen from the wall for limitless viewing options with Peerless' Articulating Swivel Mount. Three swivel points and adjustable forward tilt offers outstanding flexibility for installations in lobbies, hotel rooms, boardrooms, public displays or home theaters. The exceptional functionality of this product is also well suited for recessed applications in a wall or armoire. It safely holds flat panels ranging from 32" to 63" and can fold flat against the wall.

- For 32" to 63" plasma and LCD screens
- Swings to watch the screen from anywhere in the room
- Screen always level with easy leveling adjustment
- Folds flat against the wall
- Comes in black or silver
