## AM/FM CASSETTE DUAL ALARM CLOCK RADIO

### ■ AM/FM reception

### ■ Dual Alarms

#### **Independent Radio/Buzzer Alarm Choice for Alarm "1" or Alarm "2"**

Provides two options for each alarm setting — the user's choice of a favorite radio station or the standard buzzer alarm.

### ■ 59-Minute Sleep Feature

### ■ Snooze Control/Repeat Alarm

### ■ 24-Hour Alarm Reset

**Green LED Digital Display** Pleasant green LED display is sufficiently subdued to be non-intrusive during sleep, yet bright enough to be easily recognized.

**Battery Back Up in the Event of Power Interruption** A 9-volt battery (not included) maintains correct time and alarm time settings in the event of a brief power interruption or power failure. Should this occur, the display will be disabled, but the alarm remains active.
