Exceptional Document Handling

The SmartOffice PS396 features one of the most advanced document feeding and separation system in the industry. This system allows the SmartOffice PS396 to scan mixed batches of varying paper sizes and weights.

No more wasted time sorting documents based on their size or thickness. Plastic and rigid cards such as ID cards, Drivers Licenses, Membership Cards, Insurance Cards and even long documents up to 50" are scanned without additional adjustments or additional set up. The SmartOffice PS396 also features auto wake up that enables users to simply place the paper in the scanner and wake up the scanner from sleep / stand-by mode.

Exceptional Reliability

The 100 sheet feed tray along with a daily duty cycle of 4000 pages means that the SmartOffice PS396 is a scanner that is designed to scan documents every day, all day long.

Exceptional Productivity

Create searchable PDFs at the touch of a button. Single Touch scanning allows you to define 9 different scanning functions that can all be accessed by simply pressing a button. In addition to Searchable PDF, you can transform your paper documents into editable Microsoft Office document formats or common image formats such as JPG and TIFF. The SmartOffice PS396 is bundled with business card reading software and a suite of document management and scanning applications to allow you to be productive right out of the box. Industry standard TWAIN, ISIS and WIA drivers ensure compatibility with thousands of image enabled applications.
