PHILIPS

17" Mono

Product Information

Picture

- Screen Size: 17" (43 cm)
- Visible screen size: 41 cm
- Picture Tube: Black Matrix
- Contrast Plus
- Sharpness Control
- Noise reduction
- Colour Temperature

Sound

- Sound Power: 4 W RMS
8 W Music Power
- 1 On Board Speaker

Ease of Use Installation

- Plug & Play
- 100 Preset channels
- Autostore
- Fine Tuning
- Sorting
- Smart ATS and ACI

Ease of Use Utilisation

- Remote Control: RC283509
- Smart Picture Control: Soft, Natural, Rich, Personal
- Smart Sound Control: Movie, Speech Music, Personal
- Smart Listening (Delta Volume + AVL)
- Smart Clock
- Wake up Clock
- Sleep Timer
- Smart Lock

Connections

Front

- CVBS Video in
- Audio (cinch/RCA) in
- Headphone Jack 3,5 mm out

Back

- Euro A/V connector Ext1 (RGB in, CVBS in/out)

Information

- 10 Page Smart Text
- 4 Favourite Pages
- Program Information Line

Reception

- Tuning System: PLL digital tuning
- Tuner: VHF, UHF, S-Channel, Hyperband
- Aerial Input: 75 ohm Coaxial
- TV System: See table
- Video Playback: NTSC 4.43/3.58

Miscellaneous

- Mains: AC 220-240V, 50/60 Hz (stroke /01, /05)
AC 90-276V, 50/60 Hz (stroke /58)
- Power Consumption: 63W Normal
10W Stand by
- Set Weight: 14 kg
- Weigh Incl. Packaging: 18 kg
- Set Dimension (WxHxD): 422x383x425 mm
- Box Dimension (WxHxD): 520x475x510 mm
- TV Colour: Blue Silver (10852)

Product Highlights

Black Matrix picture tube

The Black Matrix picture tube improves the contrast of images even when viewing in daylight conditions.

Contrast Plus

A special circuitry has been incorporated into this receiver to enhance the darker portions of the picture for added realism and overall picture quality.

Smart Listening

This is the combination of Delta Volume and Automatic Volume Limiter. The former avoids undesirable changes in volume, caused by the different sound settings of different programmes. The latter avoids the rapid increase in volume which can happen in the case of different commercials.

RMS

The standard professional measure of sound output power. All our Tv's are measured in RMS with 10% Distortion. There are other terms than RMS which often show higher numbers but are not comparable.

Plug & Play

Having connected the tv, it automatically searches for all channels and installs them.

10 Page Smart Text

Fast access to your own programmed favourite text pages.

Smart Clock

The ability of your TV to automatically update its internal clock for easier use of the Wake up clock function which allows you to program the TV to switch on at a certain time.

Front Connections

Connections for headphone and other inputs such as camcorder, front entry for ease of use.

Full NTSC Playback

The TV can be used to watch NTSC material (eg american video tapes), when connected via scart to a video recorder.
