WORKGROUP Multifunction Solution

The MFX-1350D from Muratec combines high-resolution copying, PC printing, powerful faxing and color scanning into a single, easy-to-use multifunction solution.

The MFX-1350D comes equipped with standard:

- > 80-sheet automatic document feeder
- > Legal-size platen glass
- > 500-sheet paper cassette
- > 50-sheet multipurpose bypass tray
- > 13 page-per-minute output
- > PC printing (from USB connected printer)
- > High-speed fax modem
- > Color scanning

MFX-1350D

**M**uratec

# FEATURES AND BENEFITS

#### 13 page-per-minute print engine

- > Produce output at up to 13 pages-per-minute
- > Standard duplex printing enables two-sided copy and print output that assists in reducing office paper consumption

## 33.6 Kbps modem with JBIG compression

High-speed modem transfers data at speeds up to 2 seconds-per-page

#### 80-sheet automatic document feeder

> Fax, copy or scan large jobs without having to split them into multiple sets

### Legal-size platen glass

Enables the seamless scanning of documents that are not appropriate for the document feeder (carbon papers, identification cards, etc).

#### 200 location address book

> Store frequently dialed fax numbers for instant recall

#### Memory transmission

> Scanned documents are held in memory when line is busy

## Broadcasting and group dialing

> Send documents to multiple parties at the touch of a button

#### **Expandable memory**

> Upgrade from the standard 8-MB memory to 40-MB, creating sufficient memory storage for large applications

#### **Energy Star compliant**

\_\_\_\_\_

> Energy Save Mode reduces energy consumption to minimum operating levels, prolonging machine life and lowering electricity bills

#### Flexible paper capacity

Standard 500-sheet paper capacity easily expands to 1,000 sheets with optional 2nd cassette and allows for simultaneous use of letter and legal sized paper

#### Multipurpose bypass tray

> Print unique media such as letterhead, envelopes, labels or overhead projector sheets from the 50-sheet bypass tray

## Standard PC printing

> Windows-based GDI printing system produces crisp printouts at 600 dpi

## Standard color scanning

- > Convert color photos, charts and/or business documents into electronic files
- > TWAIN compliance for direct scanning of images into popular software applications

## OfficeBridge Plus connectivity solution

> OfficeBridge Plus transforms the MFX-1350D into a powerful, networked MFP that enables users to share the MFX-1350D as a printer on the network, scan to a PC folder, scan to an e-mail address, send/receive Internet faxes, send faxes from PC applications and more

## EasyChange<sup>SM</sup> consumables

> Front loading consumables can be quickly changed without the need for a service call

#### Intuitive control panel

- > Two-line LCD provides clear instruction and operational guidance
- "Macro" keys allow for one-touch initiation of complex fax/copy commands
