Theft Deterrent Imitation Cam

We challenge you to tell the difference!

The Theft Deterrent Imitation Cam is a professional imitation deterrent camera. We challenge you to tell the difference when comparing the real and imitation side by side. The same solid aluminum body as the regular MaxiBrite™ is also used on this imitation camera. Your staff & professional thieves will not know if the camera is real or imitation. Deter thieves, safeguard your loved ones and protect your property. Easy to install with mounting bracket and screws. Increase your security at a fraction of the cost of real cameras.
