Print, scan, copy, and fax for up to 50 percent lower cost per page than lasers,¹ and manage with ease.

Produce professional color for up to 50 percent lower cost per page than lasers,¹ using an MFP that's easy to manage and designed to help simplify tasks. Integrate quickly to manage and help safeguard your print environment—no expertise required.

Simplify frequent business tasks. Quickly print, scan, copy, fax, send digital files, and launch business apps² from the 4.3-inch color display. Reload supplies less often, using an MFP with large paper trays and high-capacity cartridges.³

Easily connect and print, whether you're at the office or on the go. Connect through your Ethernet or wireless network to share this MFP's versatility with multiple PCs. Print from your smartphone or tablet from virtually anywhere.⁴

Enlarge Image

Use up to 50 percent less energy than lasers⁵ with an ENERGY STAR® qualified MFP designed with the environment in mind. Use 50 percent less paper with automatic two-sided printing, and get free, easy cartridge recycling with HP Planet Partners.⁶

Compatible Operating Systems

Standard Network

Windows XP	32-bit (SP3 or higher)
Windows Vista®	32/64-bit
Windows® 7	32/64-bit
Windows® 8	32/64-bit
Linux	See http://hplipopensource.com/hplip-web/index.html
Mac OS	Mac OS X v 10.6, 10.7, 10.8

The information contained herein is subject to change without notice. The only warranties for HP products and services are set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HP shall not be liable for technical or editorial errors or omissions contained herein.

1. Majority of color laser All-in-Ones less than \$500 USD, September 2012; for details, see www.hp.com/officejet. Officejet Pro ISO yield with highest-capacity cartridges based on continuous printing; see www.hp.com/go/learnaboutsupplies.

2. Requires a wireless access point and an Internet connection to the printer. Services may

require registration. Availability varies by country, language and agreements, and requires a firmware upgrade. For details, <http://www.hp.com/go/eprintcenter>.

- 3 . Page volume based on HP 950XL Officejet Black Ink Cartridge and HP 951XL Officejet Cyan, Magenta, and Yellow Ink Cartridges. For more information, see www.hp.com/go/learnaboutsupplies. High-capacity cartridges not included; please purchase separately.
- 4 . Requires an Internet connection to HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents, and image types, and other HP ePrint details, see www.hpconnected.com. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.
- 5 . Energy claim based on the majority of color laser printers less than US\$300, Sept/2012. Energy use based on HP and third party testing using the ENERGY STAR® program's TEC test method criteria. For details, see www.hp.com/go/officejet.
- 6 . Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries and territories around the world through the HP Planet Partners program. For more information, or to request return envelopes and bulk collection boxes, visit <http://www.hp.com/recycle>.
- 7 . Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- 8 . Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.
- 9 . Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- 10 . HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- 11 . Power measurements are based on ENERGY STAR® OM test procedure with 230 VAC, 50 Hz input.
