

# AM5055 Roadster V.92 USB

## FAST, PROFESSIONAL INTERNET CONNECTION

### V.92 – QUICK CONNECT, FASTER BROWSING\*

Your NetComm Roadster features the latest V.92 technology.

- QuickConnect cuts the time it takes to connect.
- V.44 compression speeds Web browsing and download speeds.

*\* Your Internet Service Provider must support the V.92 standard for these features to work. If a V.92 connection is not available, this modem automatically reverts to the 56K V.90 mode.*

### USB FOR TRUE PLUG & PLAY

USB allows significantly faster communications and easier connectivity – simply plug it in and your computer does the rest! There's no need for that extra power point or cable either – the USB port delivers enough power to run your modem.

### DESKTOP FAXING

Send a fax direct from your PC without leaving your desk; file it with your other documents on your network or hard drive.

### TELEPHONE ANSWERING MACHINE (TAM)

With the NetComm Roadster you not only get a modem, but an "Out of Office Assistant" as well. TAM lets you set up multiple voicemail boxes, one for each member of the office or family.

### FLASH ROM UPGRADEABLE

If the need arises to update your firmware, the NetComm Roadster V.92 can be upgraded directly from our website.

### ULTRA CONNECT

Ultra Connect, NetComm's enhanced technology, manages your connection to your ISP and negotiates aggressive transmission speeds for faster connections, downloads and web surfing.

### CALLER ID<sup>†</sup>

NetComm's Roadster V.92 allows the display of caller numbers, giving you the option to filter your calls before answering.

### DISTINCTIVE RING SUPPORT<sup>†</sup> FAXSTREAM DUET™

The Roadster V.92 can automatically distinguish between an incoming fax or voice call on a single telephone line.

*†Your telephone service provider must first enable this service.*

## CHECK THESE GREAT FEATURES

- Now with V.92\* for the fastest, most reliable connections and auto fall-back for full compatibility
- V.44 compression for accelerated web browsing\*
- Ultra fast upload speed with V.92 – up to 48kbps\*
- QuickConnect dramatically reduces log-on time\*
- True Plug & Play with one-plug USB connection and easy set-up

## 3 YEAR WARRANTY\*

1 year warranty out of the box.  
Extra 2 years FREE with online  
registration at [www.netcomm.com.au](http://www.netcomm.com.au)

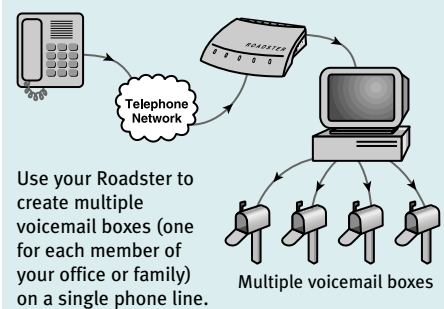

\*Conditional upon registration online.
