The HP OfficeJet G95 is HP's premium performance network-ready color flatbed all-in-one printer/fax/scanner/copier for your entire workgroup.

MULTITASKING FUNCTIONALITY

The HP OfficeJet G95 increases productivity by being able to perform several tasks at one time. For example, while printing, the same user or another user can scan, send a PC fax, send a paper fax, or receive a fax to memory, queue up a copy job, or queue up more print jobs. Queued jobs automatically start as soon as it is their turn.

PRINT

- Print over a network
- Up to 2400 x 1200 dpi color[1]
- HP's enhanced PhotoREt color layering technology
- Up to 600 x 600 dpi black with Resolution Enhancement technology (REt)
- Two-Sided Printing Accessory included

HP ON THE WEB

Visit us at http://www.hp.com/go/all-in-one for a hands-on product tour, Windows® 2000 availability and system requirements, networking capabilities, software, drivers, Smart Tools, and partner products and services.

Visit www.hp.com/go/jetdirect for additional information on the HP JetDirect External Print Server.

WARRANTY

Backed by HP reliability and award-winning HP Customer Care including one year warranty. Damage caused by refilled ink cartridges not covered by warranty.

Notes

1. Using photo paper
2. Mono only; PC required for color
3. Based on ITU-T Test Image #1 at standard resolution. More complicated pages, color or higher resolution will take longer and use more memory.
4. Legal size media is supported only for monochrome copy and fax
5. See Web for information on Windows 2000 system requirements
6. Requires Windows 98 or Windows 2000. USB only works as local printer.
7. Figures based on using the AC-adapter that came with your HP OfficeJet (HP part number 0950-2880)

As an ENERGY STAR Partner, Hewlett-Packard Company has determined that this product meets ENERGY STAR® guidelines for energy efficiency.
