Modular Cooking Range Line S90 Gas Pasta Cooker, 10.5 gal, Island, 1 Side

584139 (WKGROA0000) S90 Gas Pasta Cooker,
10.5 gal well, island,
1 side operation

Short Form Specification

Item No. _____

Unit to be Electrolux S90 Gas Pasta Cooker, 10.5 gal (40 liters) well. Unit to have high efficiency 49,000 BTU (14.3kW) burners. Unit to be installed in central island type installations with operation from one side. The unit shall feature constant water level refill and starch removal during cooking process. The 10.5 gallon tank is pressed in 316 type stainless steel and features only rounded corners. Body and base of unit entirely in 304 type stainless steel. Unit shall have heavy duty 304 type stainless steel internal frame. "Lasertec" connection system permits units to be connected to each other creating a seamless work top.

Covered by Electrolux Platinum Star® Service Program two-year parts and one-year labor warranty, installation start-up and performance check-up after one year from installation.

Approval: _____

Main features

- Unit for island type installation with operations by chef from one side.
- In addition to cooking pasta, the appliance can be used for noodles of every kind, rice, dumplings, vegetables and soups for large or small servings.
- Water basin in 316 type stainless steel.
- Water basin is seamlessly welded into the top of the appliance.
- Water temperature controlled by an energy controller.
- Drainage surface is provided on which baskets can be placed for draining purposes.
- 10.5 gal (40 liters) water basin.
- 9-position energy regulator.
- 3-position water fill regulator.
- Constant water level refill.
- Automatic starch removal function during cooking: improved water quality over time.
- Automatic low-water level shut-off: no accidental over-heating.
- All major compartments located in front of unit for ease of maintenance.
- Piezo spark ignition with thermocouple for added safety.
- Heavy duty internal frame 304 type stainless steel.
- "Lasertec connection system" creates seamless work top when units are connected to each other.
- Unit delivered with four 7-7/8" (200 mm) legs as standard (all round stainless steel kick plates as option).

Optional Accessories

- Left side stainless steel 0.118" (3 mm) panel.
- Right side stainless steel 0.118" (3 mm) panel.
- 5" (130 mm) portioning shelf.
- 7.8" (200 mm) portioning shelf.
- All round stainless steel kick plates.
- Round baskets for pasta cookers.
- Bottom plate for round basket support.
- Basket (11" x 18") for pasta cookers.
- Basket (11" x 9") for pasta cookers.
- Basket (11" x 6") for pasta cookers.
- Closing cover for pasta cookers.
