Business leather case for 15,4“ Notebooks

BusinessLeather from DICOTA is manufactured from high-class leather and offers plenty of storage room for Notebook, documents and mobile equipment.

The effective safety padding surrounds the Notebook and makes for a maximum of protection. The Notebook is additionally protected from above by the integrated safety flap. Plenty of room for documents within the main compartment whilst cell phone, business cards and such are always ready-to-hand in the designated pockets in the front compartment. The comfortable leather carry handle and padded shoulder strap ensures pleasant transport.

BusinessLeather is available in classic black and dark brown
