## 36" and 48" Grill Cart Assembly

### Tools You Will Need

- 3/8" wrench or socket
- Phillips head screwdriver
- Gloves to protect against sharp edges

**CAUTION:** The grill is extremely heavy. 2 people are required to lift and place the grill onto the cart.

### Step 2: Install Side Shelves

- Remove the top screw in the front shelf slide on the left and right sides. Retain screws. **NOTE:** One shelf is marked "R/H Shelf". Be sure to use that shelf on the right side of the cart.

- Slide shelf supports up and into the channels on the sides of the cart.

- When the shelf reaches stops at the top, fold the shelf out horizontally.
- The shelf should rest securely in the channels.
- Install the long 10-24 screws and spacers below the shelf supports. Secure with nuts on the inside of the cart. (2 on each side.)
- The spacers and screws will prevent the shelf from sliding out of the channels when folded down.

#### To fold the shelves down:

- Lift the shelf up until it clears the channels.
- Fold down and let the shelf slide down and stop on the spacers.
- Fold both shelves down.

## Installation

### 36" and 48" Grill Cart Assembly

#### *Step 3: Mount Grill on Assembled Cart*

**CAUTION:** Lock front caster on the cart to prevent movement.

See Installation instructions packed with the grill. Remove packaging, drip tray, smoker tray, burner grates and parts box.

**CAUTION:** The grill is extremely heavy. 2 people are required to lift and place the grill onto the cart.

- Carefully, lower the grill onto the cart. The grill should be behind the lip on the front of the cart.
- Check to be sure the grill rests securely and fits square on the cart. The screw holes at the front and back should be aligned.

#### *Step 4: Secure Grill to Cart*

- Install 3 screws along the front and 3 screws along the back with a phillips head screwdriver.
- Re-install long screws previously removed in the top of each front slide.
