LMP-P201

Replacement lamp for projector models VPL-VW11ht, VPL-PX21, VPL-PX31 and VPL-PX32, 200 Watt UHP

The LMP-P201 is a 200 Watt UHP (Ultra High Performance) lamp for the projector models VPL-PX21, VPL-PX31, VPL-PX32 and VPL-VW11ht. During its entire lifetime you can rely on a constant light output generated by this lamp. When making important presentations, it is better to ensure you always have a projector lamp in spare, especially towards the end of the lamp's lifetime.
