### NEW ESTATE PRO 20

#### New Estate Pro 20

- The wide cutting deck and powerful engine make the Estate Pro 20 the fastest and most efficient mower in the series.
- The rear mounted grass box holds 300 litres and can be emptied without the driver leaving the driving seat.
- A signal indicates when the grass box is full and ready for emptying.
- The Stiga Estate Pro 20 is comfortable to drive, has a small turning circle and cuts close on both sides.
- 122 cm floating cutting deck with central cutting height adjustment. There are 7 cutting heights from 30 - 90 mm.
- Reliable, 20 hp Briggs & Stratton Intek OHV 2-cyl engine with electric start. The petrol tank holds 7 litres. All controls are located on an instrument panel. Electric attachment clutch. Removable starting key.
- Hour meter to help you to remember to give service in right time.
- Continuous, hydrostatic gearbox. Cutting speed forward and backwards is regulated by a foot pedal. Brake pedal and parking hand brake.
- Accessories: Multiclip kit, tow-bar, deflector for cutting high grass without a collection box and front weight.
