

INVACARE®
MVP®
FOLDING WHEELCHAIR

The **Invacare® MVP® and MVP® Jr. Wheelchairs** are the premier folding chairs in the Invacare Custom Manual wheelchair line. With a refined sense of style and three rear frame options, these chairs are easy to match the consumers needs – responsiveness (Curved frame), stability (Square frame) or growth and positioning (Extended frame). The three-piece modular frame design easily accommodates growth by replacing the front frame section. Backed by the quality and reliability that is built into every Invacare product, the MVP and MVP Jr. Wheelchairs give consumers the durability and performance they need and set the standard for every folding chair in the industry. Think MVP Wheelchairs when consumers want maximum versatility and performance with the convenience of a folder.

Features

Lightweight aluminum folding frame
 Adjustable angle back option on the Square frame
 Adjustable angle footplate and clamp
 Hideaway undermount wheel locks available
 Improved wheels include black rim and black hub
 Standard axle plate on the Square and Extended frames allows center-of-gravity adjustment under the back canes for maximum stability

Virtually unlimited seat-to-floor height/wheel combinations
 Heavy-duty package increases weight limit from 250 lb. to 350 lb. (MVP Wheelchair only)
 Less-Seat-Rail option provides lower seat-to-floor heights
 Camber choices from 0° to 9°
 Choice of fixed or swing-away front end

HCPCS Code: K0005, E1236 (MVPJR)

1. Adjustable angle back option
2. Head tube
3. Hideaway undermount wheel lock
4. Adjustable angle footplates
5. Depth adjustable
6. Less-seat rail option
