

# PUSH PLATE

EasyMount Wireless  
Stainless Steel 4.75" Square Style  
Push Plate

EMS475 SERIES

**SLIM PROFILE  
ONLY 1.5 in.**

**Quality  
Intelligence  
Precision**

#### Easy Installation

A wireless push plate integrated with an RF433 transmitter, which offers code-encrypted security. The fully-assembled unit installs using the quick plate mounting kit or a standard two or four bolt gang box. In addition, the push plate housing can be directly installed to any flat surface such as a wall or push plate mounting post using standard screws.

#### Powerful Design

The sleek, NEMA-4 unit is tamper-resistant with a recessed front plate and beveled edges. Aesthetically pleasing with a slim line 1.5 in. depth and no visible mounting holes on the front page.

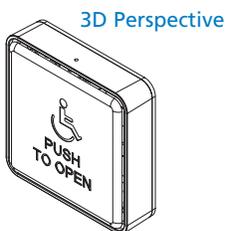

#### BEA-Quality Plate

All active plate made of durable stainless steel. Lifetime warranty on face plate.
