## SETTING UP YOUR SPORTS NUT™

*To exit the try me mode, press the Reset button located on the side of your Sports Nut™.*

## The Game in a “NUTSHELL” (Get it?)

The object of the game is to answer as many sports trivia questions correctly as possible. Each round, no matter how many players, has 20 questions in each set, UNLESS you have three players, than it is 21. Norm keeps a running total of correct answers for each set. If you've beaten any previous records in the game, Norm will let you know and the game will go on. After one set of 20 questions, you will progress to the next set.

## USING YOUR SPORTS NUT™

### WANNA GET STARTED

Sure you do. Just push Norm's tongue to wake the game and let the torture begin. Norm will always make you feel welcome (yeah, right!) with a surprise greeting - we hope you're not sensitive!

**Choose Number of Players** - After greetings from your new pal, Norm will ask the number of players. If you're playing solo, press his tongue once. If there are more players, press his tongue the number of times there are players. Remember, there can only be four players.

**Get Your Nickname** - After number of players is determined, Norm will automatically choose a fun nickname for each player. Get ready for the abuse, because these names range from Twinkle Toes to Girly Man, Pretty Boy to Pig Pen (and these are the most flattering of the bunch!)

## PLAYING THE GAME

The questions will be from a variety of sports and will have a follow-up question if you get part one right: For example: Which team has the record for all-time most Super Bowl appearances? Was it..... Denver Broncos or Dallas Cowboys. Since the correct answer was Dallas, Norm will then ask: So how many times has Dallas been to the Super Bowl? Was it.... 8 or 9. Norm will always ask the question twice. If you're not sure, give it a good guess - you'll learn valuable sports facts even if you're wrong!

As Norm is throwing those tough questions at you, make sure you press his tongue when he says the choice.

## GAME FEATURES

It's all in the tongue Baby - This selects the players, starts a question and answers a question. If the game is in a time out, press his tongue to wake the game.

New Game Button - Press this button for three seconds to start a new game.

High Score Button - Press this button at anytime to get the score. Remember, if Norm is talking, he will not tell you your score until he is finished.

Are you Stumped? Got a phone call? Microwaving a pizza? Just push the “Time Out / In” button on Norm's left side to take a time out! Battery saving “sleep” feature automatically goes to “sleep” after two minutes of inactivity. If the game is in a time out, press the “Time Out / In” button once to wake the game. Flashing lights, music and constant snide remarks make Norm Nutman™ the mascot at any sports party!
