

English

Please take the time to follow the instructions in this owner's guide carefully. To avoid voiding this owner's guide for future reference:

For more information about your headphones, visit:

- **U.S. only:** <http://owners.Bose.com/SIE2>
- <http://global.Bose.com>

Safety Information

CAUTIONS

- Sounds that you rely on as reminders or warnings may have an unfamiliar character when using headphones. Be aware of how these sounds may vary in character so you can recognize them as needed.
- Do not drop, sit on, allow the headphones to be immersed in water, or wear while participating in water sports, i.e. swimming, waterskiing, surfing, etc.
- The armband is not waterproof. Do not fully protect your device from severe weather or excessive sweating. Use caution when wearing the armband under these conditions, as your device may be harmed by contact to water.

WARNINGS

- Contains small parts which may be a choking hazard. Not suitable for children under age 3.
- This product contains magnetic materials. Long-term exposure to loud music may cause hearing damage. It is best to avoid high volume levels when using headphones, especially for extended periods.

Use caution when using your headset/headphones while operating a vehicle or engaging in any activity that requires your full attention. Check and follow local laws regarding headset/headphones use. Some jurisdictions impose specific limitations, such as single earpiece configuration, on the use of such products while driving.

Cleaning

Your headphones may need periodic cleaning:

- **Headphones:** Remove the foam from the earbuds and clean with a damp cloth and mild soap. Wipe the tips thoroughly dry before you put them back on the headphones.
- **Headphones:** Clean exterior only with a soft cloth. Never insert any cleaning tool into the nozzle.
- **Armband:** Hand wash. Do not bleach. Do not wring out. Dry flat. Do not iron. Do not dry clean.

Components
A. Clothing clip
B. Extension cable
C. StayHead™-indساتer: Store (store)
D. StayHead™-tips: Large (black)
E. StayHead™-tips: Medium, installed (grey)
F. StayHead™-tips: Small (white)
G. Armband

Connecting to an Audio Device

1 Connect the Bose® SIE2 sport headphone cable to the 3.5 mm headphone jack of your device.

Note: The headphone cable length is designed to be the best comfort and fit. If you require more cable length (for use with a treadmill or computer), attach the extension cable.

Importance of proper fit

When you wear the headphones properly, they provide the comfort and clarity you expect from Bose.

2 Each tip is marked with an L or an R to indicate which earpiece fits best. To attach the left StayHead™ tip to the left earpiece and the right StayHead™ tip to the right earpiece.

3 Fitting the headphones to your ear correctly is important. The StayHead™ tip attached, allowing it to rest comfortably in the bowl of your ear. The wing part of the tip fits just under your ear ridge. To determine if the tip is the right size:

1. Insert the earpiece into the canal just enough for the headphone to rest lightly against your ear.
2. Tilt the headphone back and press the tip wing under the ear flap until it is secure. The tips should fit comfortably yet securely in the bowl of the ear.
3. **Changing ear tips**
Select the type and size of ear tip that provides you the best comfort and fit. Gently peel the edges of the attached tip away from the earpiece, using care not to tear the tip.
CAUTION: To prevent damage, do not pull or tear the StayHead™ tip wing.
4. Position the opening of the new tip over the nozzle and the small slot around the base of the earpiece until the tip feels secure.
5. **Using the armband**
Insert your device into the source compartment and connect the headphone cable to the headphone jack of your device.
Note: You can control your device's touch screen through the armband window.
2. Slide the armband onto your arm and tuck the additional fabric under the tab. Pull the tab and secure it for proper fit. This tab also serves as storage for headphones when not in use.

Troubleshooting

If you experience any trouble using your headphones, try the following troubleshooting instructions. If you still need help, see the contact information for assistance in your area.

Poor sound quality or missing audio channels

Make sure that the headphone cable is securely plugged into the headphone jack of the device. Check extension cable connection if applicable.

Adjust bass and treble settings in the device.

Placement parts

To purchase replacement ear tips, extension cable or armband, visit:
