Roof-Mounted Ladder Package	Wheel Lock Kit	

¹With rear seats removed. ²Cargo and load capacity limited by weight and distribution. ³Maximum payload capacity includes weight of driver, passengers, optional equipment and cargo. ⁴Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevy dealer for additional details. ⁵Not available with rear body-colored halo trim. ⁶Requires Convenience Package. ⁷Not available with swing-out driver-side door. Go to livegreengoyellow.com to see if there is an E85 station in your area. ⁸Always use safety belts and the correct child restraint for your child's age and size. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle Owner's Manual and child safety seat instructions for more safety information. ⁹Requires driver-side 60/40 swing-out doors on 1500 AWD models.
