

CDN88 MP3

PROFESSIONAL DUAL CD/MP3 PLAYER

ROCK SOLID AND LOADED WITH FEATURES. CDN88 MP3 is the professional DJ's selection in high-performance CD players. This feature-packed, dual-deck unit not only plays traditional CDs and MP3 CDs, but it gives you capabilities not seen on many other rack-mount players such as real-time scratching and 12 effects, Key Lock, dual seamless loops, and 48-second Anti-Shock™! This update to Numark's well-known CDN88 adds MP3-playback capability, complete with text display, so you carry more music on fewer discs. Step up to the best with CDN88 MP3.
