

### P7400 Glowstone™

*Let your garden glow with life*

Add new life to your garden or just have light to see where you are walking. The innovative Glowstone™ lights up for a user-adjustable 5 - 30 seconds as its built in motion detector senses you passing. Advanced circuitry ensures that the unit is only activated at night. The battery operated Glowstone™ can go anywhere and has no messy wires, keeping your outdoors beautiful and natural looking. Batteries last up to 6 months. Its granite finish looks amazingly real and seamlessly blends into any environment. Ideal for gardens, driveways, patios and swimming pools, the Glowstone™ will create the right mood, illuminate your path or just amaze your friends and neighbors.
