

# Foot Pedal and Mouse

## Model KMFT

1. Foot pedal performs left / right / double click functions just as on a conventional mouse
2. USB plug connects to computer
3. Foot mouse moves cursor
4. Five buttons A, B, C, D and E (red and yellow) can be programmed as keyboard shortcuts
5. Horizontal roller allows the user to use their feet to scroll through windows or web pages

**This innovative foot pedal & mouse combination enables students to type and perform other mouse functions with their feet. Designed for students with special needs, it can be used for individual computer based activities and literacy functions.**
