

MultiPlus front loader

Generous 15.4" notebook case

A generously dimensioned case to fit notebooks up to 16".

The especially effective yet lightweight High Density Foam cushioning protects the notebook from knocks and bumps. The notebook compartment is lockable and has a notebook strap for additional stability.

All accessories are easily stowed away in well designed compartments. Mobile phone, pens, business cards etc are always handy in the newly designed front pocket whilst the workstation (with new extractable CD compartment) offers plenty of additional storage space for other mobile accessories. There are two document holders on the rear of the case, one of which is zippered. Power supply units and cables are neatly stored in the removable meshed cable bag.

The MultiPlus is a pleasure to transport - the well designed soft carry handle, padded shoulder strap and trolley fastening strap make for comfortable carrying on its own or as part of more luggage.

The MultiPlus is made of robust 900 polyester, the front pocket and flap have reinforced edges.
