Max-i-Swann™ Twin Pack

USB 2.0 Webcams

Two webcam conference kit with headsets

The Swann USB 2.0 Max-I-Swann™ Webcam Twin Pack lets you meet face-to-face online with live video calls. Bring your instant messages to life by adding live vision to your MSN?, Yahoo!?, Skype? & AIM? Messenger. Or set it up as a webcam and share your world with photos and video sent with your e-mail as simply as you send text. What's more, USB 2.0 Max-I-Swann™ Webcam Twin Pack allows you to take digital photos at the click of a button. It couldn't be easier to share your vision.
