This Standby Series UPS offers you the piece-of-mind of surge/lightning protection for your home and small office. It also provides battery backup needed to safely shutdown your equipment in case of brownouts, AC power sags, and total power outages.

The UP1200 has 1200VA/670W capacity, and is equipped with RJ11/RJ45 ports to protect phone, fax, Ethernet, network, or broadband DSL lines. USB and serial ports allow for connectivity of PowerPanel™ Power Management software that automatically saves and closes open files and shutdowns the PC in an intelligent and orderly manner. EMI/RFI filters eliminate line noise and disturbances that may affect other electronic devices throughout the home. The UP series UPS's are also made of a durable metal housing that can withstand demanding environments.

The CyberPower UP1200 carries a 3-year warranty, coupled with our award winning Technical Support and lifetime Connected Equipment Guarantee of \$100,000.

- EMI/RFI - Provides shielding against electromagnetic interference & radio frequency signals. Most commonly, this is used to prevent line noise or "humming" that occurs over telephone lines or stereo electronics.
- USB Connectivity - Easy to use software and convenient USB ports allow for quick and easy installation.
- PowerPanel™ Power Management Software – In the event of a power outage, PowerPanel will safely save and close your open files and shut your computer down in an orderly, intelligent manner. It also features adjustable battery run times, popup warning messages, event logging, and scheduled shutdowns.
- Metal Housing – Rigid metal construction allows for placement in areas with a demanding environment.
- LED Indicators - LED status lights indicate Power-On and wiring faults.
- Audible Alarms - Audible tones identify when the unit is running off battery power, unit overloads and low battery.
- Resettable Circuit Breaker - Convenient unit reset switch in case of an overload.
- 3-year Warranty - CyberPower will replace damaged units if within 3 years of purchase date. We stand behind our products and guarantee quality. CyberPower also offers a #1 rated technical support team that will assist you with product, installation, or warranty concerns --- Free of Charge!
- ISO & Safety Certifications - All CyberPower's manufacturing facilities are ISO-9001 Quality Tested. Our products are also certified by the FCC, cUL, and UL.
