LIMITED WARRANTY

ADESSO provides one year limited warranty for the quality of all its products in materials and workmanship.

During this period, ADESSO will repair or replace all merchandise, which proved to be defective. However, ADESSO will not warranty any product which has been subjected to improper freight Handling, shipping abuse, neglect or unauthorized repair or installation. The warranty also will not cover products installed with Non-ADESSO components and product with broken sealed and assembly trace. After replacement of RMA, ADESSO reserves the right to request the total cost of the replacement products with broken seals or assembly trace.

If you discover a defect, Adesso will, at its option, repair or replace the product at no charge to you, provided you return it during the warranty period with transportation charges pre-paid to Adesso. You must contact Adesso at support@adesso.com for a Return Merchandise Authorization number (RMA) prior to returning any product. For each product returned for warranty service, please include your name, shipping address (no P.O. Box), telephone number, copy of the bill of sale as proof of purchase and have the package clearly marked with your RMA number.

INTRODUCTION

Adesso is proud to introduce its new and improved, Waterproof Compact Flex Keyboard. This revolutionary keyboard is water resistant, flexible, and dust and contaminant proof. The keyboard is great for use in industrial environments, hospitals, libraries, and marine and boating applications. In fact, almost anywhere dust and liquids are present! The silicon-based material is resistant to almost anything!

The flat, comfortable design offers easy typing, which eliminates negative-angle stress to your wrists. Its improved raised keys provide better tactile feedback than previous flexible designs.
